Dear [redacted]

STAT

I wanted to thank you for hosting lunch the other day. The food was good and your company was better.

Most of all, I think your renewed happiness is a big step--even though I am sort of days to weeks late in my recognition.

In any event, it was good to see you again and hear of your adventures. We should have lunch again, soon, perhaps at my place.

Good luck on verification.

All the best,
